Information

- Each caddie has 24 sticks.
- You can mix and match flavors in your order.
- Minimum order is 6 caddies or 144 sticks. We ask that you order in multiples of 6, as this is what our cases hold that we use to ship.
- The sticks are shelf stable for 1 year. (No refrigeration needed)
- The cost of the sticks is 60 cents each. (This includes shipping)
- We suggest selling them for \$1. This gives you a 40 cent profit per stick.
- Your cost is \$14.40 per caddie. Which computes to \$86.40 per minimum order.
- For every 1000 sticks you sell, Yoder Meats will pay back a \$25 incentive fee. (Rounded to nearest 1000 sticks.) This is computed from July 1st to June 1st.
- Incentive will be paid in July or August. This gives us time to figure up the totals and then send out the checks.

Payment

- Schools will be invoiced once we see that you have received your order. The amount is due 30 days from receipt of the invoice.
- Other organizations will be asked to pay by credit card when ordering.

If you would like to go ahead and order, the process is simple! You can either email me at SnackSticks@yodermeatsks.com or call me at (620) 465-3807.

I will just need to know what flavors you would like to order and the number of caddies along with the physical address you would like them sent to and we can process your order right away.
